That was adorable.

If it makes you feel any better, I'm prone to badly-timed-but-innocently-intended comments about enjoying making sausage.

MMmmm. Sausage.

Well, I know what I'm making for breakfast now. To go with my AWESOME PANCAKE SKILLZ!

I think you had better just declare the entire thread a Blues Euphemism Hazard and move on.

(The cake--and the Maenad--were each nicer than the other.)

Happy Birthday, Ace Cub Reporter! As if the world needed more evidence that the Universe make Aquarians awesome (probably to make up for the winter birthdays).

Rock on, sir, rock on!

A belated Happy Birthday!

If I never introduced myself, several of my friends directed me here saying I'd encounter someone nifty with whom I might have a particular vulpine trait in common. :)

Thank you
